

Create an APN Partner Central account using Virtusa email address (if not done already)

- Self-Register using a company email address here:
<https://partnercentral.awspartner.com/SelfRegisterPartner>
- You should receive an email with subject “APN Portal Verification” from ‘APN No-Reply’ (apn-no-reply@amazon.com). If the email doesn’t arrive in your inbox within a few minutes check your “Clutter” or “Junk Email” folders.
- Follow the instructions to verify your account.

Link your “AWS Training & Certification Account” Email Address and provide your Consent (if you have an AWS certification already)

1. Login to Partner Central: <https://partnercentral.awspartner.com/SiteLogin>
2. Navigate to the “View My Profile” page at the link <https://partnercentral.awspartner.com/PartnerContact>
3. Click “Edit”
4. Fill in the “AWS T&C Account Email” field (with the email account that you’ve registered and taken the exam under)
5. Change "I consent to share my AWS Certifications with "Company Name" to "Yes"
6. Click “Save” at the top of the screen

AWS CERTIFICATION

AWS T&C Account Email

I consent to share my AWS Certifications with
"Virtusa Corporation" *

Yes

I would like AWS to share my AWS Training and Certification Data with Virtusa Corporation. For my completed AWS Trainings, the following will be shared: my name, name of training or accreditations, completion date, and expiration date. For each of my AWS Certifications, the following will be shared: my name, validation ID, exam name/level, award date, and expiration date.
